About Teaching English as a Second Language
For people who live in the United States and don't know English well, life can be tough. Even taking a bus or buying a soft drink becomes a challenge — let alone succeeding in school or at work. Luckily, teachers certified to teach English to non-English speakers can help. These instructors love knowing that every single lesson makes a huge difference in their students' ability to get through the day. If you too want to make a direct, positive impact on people's lives, you may want to consider teaching English as Second Language (ESL).

What Will I Learn?
