The program requirements pertain to the Undergraduate Catalog and are intended as a guide for academic planning. Students currently on SUNY campuses should consult their academic advisor for additional choices in general education categories when any course is recommended.

- ➤ To view all required courses for the program and Cortland's General Education courses, see the most current undergraduate Catalog.
- ➤ Use the transfer equivalency tables to choose equivalents at your transfer college.
- ➤ If you plan to transfer before you complete your associate's degree, you can still earn your degree via Reverse Transfer.
